# Open for Business

The Sellafield Centre is widening its community role and promoting business to business interaction in West Cumbria by offering meeting rooms, conference and exhibition space and lecture theatre facilities to the business community.

The Sellafield Centre is a unique and incredible versatile venue offering:

- A spacious exhibition hall with vehicular access, state of the art LED lighting and surround sound
- Modern lecture theatre with breakout area/s
- A range of fully equipped meeting rooms for 2-35 delegates
- Excellent disabled facilities
- WIFI
- Cafe and on-site catering
- Extensive free car and coach parking
- Helicopter landing pad
- Outdoor exhibition space

The Sellafield Centre is in an unrivalled location just 200 metres away from the Sellafield site, close to the Nuclear Decommissioning Authorities Headquarters and on the doorstep of the Lake District National Park.

A purpose built exhibition hall with 3 extra large projection screens make the Sellafield Centre the ideal venue for exhibitions, product launches, team building events and conferences. Superb location just 2 minutes from Sellafield and a central point between north and south Copeland. Additional outdoor exhibition space can be arranged if required.

The lecture theatre with tiered seating for up to 100 people and 3 cinema-sized screens has the 'wow' factor and is perfect for presentations, award ceremonies, team building, role playing and AGMs. Break out areas/private exhibition space can be arranged.

The meeting rooms can accommodate 2-35 people and are ideal for interviews, formal and informal meetings, training courses and presentations etc.

For a truly different evening event why not choose the Sellafield Centre. Set against the industrial backdrop of Sellafield on one side and the Western Lake District fells on the other the Sellafield Centre is the ideal place to hold a bespoke evening event.
